To: The Officers and Members of Subordinate Chapters

The ESTARL (Eastern Star Training Awards for Religious Leadership) has been a Florida Grand Chapter project since 1953. This fund provides financial assistance to deserving full-time students who are legal residents of Florida. These individuals are obtaining an education preparing them for leadership in various fields of religious service and we are blessed to be able to support them. Awards are made based on academic record, citizenship, character, and financial need. It was a pleasure for the ESTARL Main Committee to award grants to five students for the fall semester providing \$5,000 in financial assistance.

Members of the Order of the Eastern Star should be proud that our Order has established and continues to support the ESTARL program. It is vitally important that we assist in any way possible to move our nation back to the religious values upon which it was founded.

ESTARL is to be observed on the first or only stated meeting in December. Your District Chairman has been requested to visit each of the Chapters in her District on this evening. Please make her welcome and invite her to speak about our ESTARL program. Please consider making a Chapter donation or donating the Silver Drill at this special meeting to the ESTARL Fund.

Thank you for your continued support of this important fund. Your gifts have an eternal impact.

In His and fraternal love,

Elizabeth C. McAbee
Past Grand Chaplain
State Chairman of ESTARL
