January 2, 2018

Dear Sisters and Brothers,

General Grand Chapter is fast approaching and will take place right here in ORLANDO! Florida is very fortunate and proud to host the 49<sup>th</sup> Triennial Assembly of General Grand Chapter, the "Precious Memories On The Wings of Love" Session. It will be held at the Orlando World Center Marriot Resort & Convention Center on October 25, 2018 through November 2, 2018. The Housing Form, Pre-Registration Form and Tentative Program can be obtained from the General Grand Chapter web-site, [www.easternstar.org](http://www.easternstar.org)

Our Associate Grand Matron, Sharon Strosnider, who will be Worthy Grand Matron at the time of General Grand Chapter, has requested the day time dress code for the sisters, be a white suit, white blouse, white shoes and the blue Hummingbird scarf.

The scarf can be ordered from Linda Leibowitz at (305) 297-8715 or email her at [lmleibowitz@leibotrio.com](mailto:lmleibowitz@leibotrio.com). You can then pick the scarf up at our Grand Chapter Session in April or request to have it mailed to you. The price is \$25.00, plus postage. We have a limited amount on hand, so I suggest you place your order as soon as possible.

For the brothers, the day time attire will be a dark suit with the Hummingbird tie. However, the Hummingbird tie is no longer available for purchase. Over the past few years, many of you bought the tie that had the state of Florida on it or the tie that had the palm tree on it. Any one of these ties would be fine.

The "Smiling In The Sunshine," FLORIDA BANQUET will be held on Tuesday, October 30, 2018 at 7:00pm. The cost is \$50.00 per person and tickets can be purchased from the Chairman, B. Joann Green, P.G.M. of Florida. You can call Sister Joann at 1-863-206-6397 or e-mail her at [bjoanngreen0809@gmail.com](mailto:bjoanngreen0809@gmail.com).

Orlando, is the place to be seen in 2018.

Lovingly and fraternally,

Delores J. Laird, P.G.M.  
Chairman of the Florida Delegation

Sent with the approval of the Worthy Grand Matron
