OUR CHAPTER ROOM

- **A diagram of the Chapter Room is on page 169 of the Ritual.**
- **The Chapter Furniture and the position of the Chairs is also described in the Ritual on page 168.**

We are pleased to welcome you to our Chapter as a new member of the Order of the Eastern Star!!

You are now a member of the largest fraternal organization in the world for both women and men. Our members are comprised of men who are master masons and women with specific Masonic relationships as well as certain former members of the International Order of the Rainbow Girls or Job's Daughters International. .

Eastern Star encircles the world with members in the United States, Canada and 18 other countries. Subordinate Chapters are grouped together to form a jurisdiction or a Grand Chapter. The Grand Chapters are under the General Grand Chapter.

The Chapter that you are now a member of is in the jurisdiction of Florida, therefore commonly known as the Grand Chapter of Florida.

Though our teachings are based on the Bible, the Order of the Eastern Star is not a religious organization and is neither secret nor political. Our spiritual symbol is the "Star of Bethlehem." Thus, the five-pointed Star is our accepted emblem. Your initiation was symbolic of the road of life. This guidebook may help you better understand the teachings, obligation and lessons of our Order.

The Order of the Eastern Star is fraternal service organization that strives to build a better, more fulfilling way of life. Many of our members dedicate themselves to supporting a variety of local and national charities. Millions of dollars are raised annually in support of humanitarian causes. The flagship charity of General Grand Chapter is Service Dogs.

As you read and study this Guidebook, our Ritual, and the Constitution, Rules and Regulations of Grand Chapter and its Floor Work, Uniform Code of Bylaws and other information (the "**Green Book**"), you may have a number of questions.

It would be helpful to sit with or near another member of the Chapter at Chapter Meetings whenever possible. You may also want to contact the Past Grand Matron/Past Grand Patron over your District with questions, her/his name and telephone number are: _____

Where do I start? What will be expected of me?

What is the meeting all about?

YOUR FIRST CHAPTER MEETING

The Chapter may have a guest book to sign, as well as the membership and visitor's book. Those books are located outside the door of the Chapter Room. Always sign the Chapter member and visitor book at your home Chapter and when visiting another Chapter.

Your Chapter may have a printed program, calendar or yearbook. Ask for a copy. Check for special events in the yearbook under Chapter Meetings or on a calendar. The Chapter may hold social events, special project meetings, and honoring for certain or special people who may be one person or a group of people.

Your Chapter has an opening and closing ode (songs). These are found in the Chapter yearbook or program.

If an officer needs assistance with the Ritual memory work, she/he will be prompted from the East by the Worthy Patron or the Worthy Matron. The only Ritual that can be open during a meeting is the one in the East that is being used by the Worthy Patron or Worthy Matron for prompting.

Other Chapter members, can help you to better understand the meeting.

DO YOU JUST BELONG

Are you an active member, the kind that would be missed, or are you just content that your name is on the list?

Do you affect the meetings and mingle with the flock; or do you stay home and criticize?

Do you ever go and visit a member that is sick, or leave the work to just a few and talk about the clique?

Come to the meeting often and help with hand and heart. Don't just be a member, but take an active part.

Think this over member, you know right from wrong, are you an active member or do you just belong?
