

2024-2025 Youth Committee

Grand Chapter of Florida Order of the Eastern Star, Inc

Dear Sisters and Brothers,

Our mission of creating a better world through the promotion of our core values begins not only at our chapters, but also at our Masonic youth groups. In Florida, we are blessed to have all three groups – DeMolay for boys, and Job’s Daughters and the International Order of the Rainbow for girls. Each of these organizations have been around for over 100 years, teaching and molding our youth. While the stories, teaching and membership requirements are different for each organization, they all strive to pass on Masonic values to the next generation. Many of these youths have grown up to be leaders and prominent citizens, such as Paul Harvey, Debbie Reynolds and Sandra Day O’Connor.

These organizations need our support, both financially and physically. It means so much to them when members of their sponsoring orders show up at one of their meetings, or at one of their functions. The Youth Committee is extending a challenge to each member of the Order of the Eastern Star. Go to five functions. Take this form with you and have the youth leader and adult leader sign it. Send it to me by either mail or email: 2399 Moon Harbor Way, Middleburg, FL 32068, roosviews1966@gmail.com, 706.372.0855.

You will receive a pin so you can show that you support our youth.

Fraternally,
