

STRONG CHAPTERS STRONG COMMUNITIES GREATER IMPACT

COMMUNITY SERVICE

Under the guiding principles of the Order of the Eastern Star, our chapters are called to do more than meet. We are called to serve, to uplift, and to shine with purpose in the communities around us. When we join hearts and hands in acts of charity, compassion, and service, we strengthen our chapters, bless our neighbors, and create a greater impact that reflects the light and love of our Order.

Loving Kindness

Serve through care and compassion. Look for opportunities with food pantries, homeless outreach, crisis support ministries, and community care programs that help individuals and families in need.

Faithful Service

Serve where steady hands are needed. Connect with schools, hospitals, senior centers, and veteran organizations that need dependable volunteers, encouragement, and practical support.

Courage & Advocacy

Serve by standing with those facing hardship. Seek opportunities with domestic violence shelters, child advocacy groups, foster care support programs, and organizations that protect and uplift the vulnerable.

Devotion & Action

Serve through hands-on work. Watch for community cleanups, neighborhood improvement projects, meal trains, disaster relief efforts, and local service events organized by cities, churches, or civic groups.

Enduring Love

Find ways to help hospice programs, grief support groups, nursing homes, children's charities, and organizations that care for those walking through loss, illness, or loneliness.
