Dear Sisters and Brothers,

One of the most important gifts we can give our children, grandchildren or Eastern Star sisters and brothers is the opportunity to obtain a higher education. S.H.E.A.F. funds are available for those seeking degrees or certifications from a college, university, commercial or professional accredited school. With your generous donations to S.H.E.A.F. we can help make these dreams become a reality for them.

Application forms and requirements for these Student Higher Education Award Fund grants may be found on our website: www.floridaoes.org. Applications for the Spring 2023 semester are due to me by November 1.

Your first or only meeting in November is designated as S.H.E.A.F. night. Please give generously. You can ask your district chairman to come to your meeting and explain about our fund or ask past recipients or relatives to speak on behalf of it.

A chapter or district fundraiser or silver drills would be greatly appreciated. A donation would be wonderful way to honor those participating in Friends night or Grands and Past Grands night. An honorarium or memorial gift would also be very appropriate, particularly for an active or retired educator.

Working together we can accomplish much to help one another.

Fraternally in Star Love,

Robin Kimbril
Robin Kimbril, Chairman
