Subordinate Chapters,

In 1988 R.E.S.T (**R**esident **E**astern **S**tar **T**oday) was formed. The purpose of R.E.S.T is to provide emergency and/or financial assistance to eligible Eastern Star sisters, enabling them to remain in their home.

Eligibility of Recipients - Eastern Star Sisters, who have maintained a continuous Florida Eastern Star membership for ten (10) or more years are eligible to receive assistance. You must fully complete applications and verify all income and financial needs. Eligibility would then be based upon financial need and verified semi-annually. Recipient will not be required to repay or forfeit personal properties to meet qualifications. Applicants can get an application from a Main Committee Member.

R.E.S.T Night should be observed at your second or only stated meeting in October. You can request your District Chairman to come and speak about R.E.S.T on that night. Donations in the form of silver drill, memorials, or fundraisers are appreciated.

Remember, you can also donate to this worthy cause at any time in addition to the required meeting in October. We should give aid to our sisters in their misfortunes, and this is an excellent way to live up to our Obligation.

Please make checks payable to: The Grand Chapter of Florida, OES Inc. and in the memo line, write R.E.S.T

If you have any questions, you may contact the R.E.S.T Main Committee Chairman, Theresa Mouer or myself.

Please send your contributions to:
Cindy Christoffel
R.E.S.T Sub-Committee Chairman
