

April 16, 2026

To the Officers and Members of Subordinate Chapters,

Since 1953 the Order of Eastern Star has been able to assist divinity students in preparing for their calling in religious service, through the ESTARL (Eastern Star Training Awards for Religious Leadership) Scholarship Program. Each student is called to service on their own unique path. Some chose the path of a priest, pastor, or minister. Others will minister thorough music or minister to our youth. Others may become biblical scholars, authors and professors. Whatever path their spiritual journey takes them on, we are blessed to be a part of their journey.

On behalf of the Grand Chapter of Florida, we thank you for your contributions and prayers which help make a difference in the lives of these students. You are truly making a difference through your contributions AND your prayers. Please accept our heart filled gratitude!

The ESTARL Scholarship is available to all interested students who are legal residents of Florida, attend school full-time, maintain a minimum GPA, and are sponsored by an Eastern Star Chapter. The details on the criteria for students and the responsibilities for the sponsoring chapters can be found on the Grand Chapter Website.

ESTARL Scholarship applications are accepted twice a year. June 1st for the Fall Semester and December 1st for the Spring Semester. Sponsoring Chapters should be mindful of their responsibilities, ensuring they follow all deadlines. This is a 501(c)3 Charity and we must adhere to the guidelines to remain in compliance. Currently we have three students in the program, and we are grateful for the Chapters who are sponsoring them.

Thank you for your continued support of this amazing program that impacts the lives of each student and the lives of future generations of those who are called to His service.

In His Love,

Suzanne Siu
